SUBSTITUTE
CERTIFICATE OF CORRECTION
UNDER RULES 322 AND 323

Sir:

It is respectfully requested that a Certificate of Correction (COC) be issued by the Patent and Trademark Office due to errors which appear in the printed patent as a result of Patent and Trademark Office mistakes, and mistakes of a clerical, typographical, or minor character, which were not the fault of the Patent and Trademark Office. A COC form is enclosed.

This request, and the attached COC form, are meant to replace those submitted on July 17, 2008, in view of an error contained therein.

Particularly, subsequent to the filing of the July 17, 2008 request for COC, Patentee discovered that the Assignee information as printed on the cover of the patent was correct and therefore, such correction was not necessary. Accordingly, Patentee hereby requests that the original COC form dated July 17, 2008, be replaced with the COC form filed herewith.

The amount of \$100.00 to cover the statutory fee for such Certificate of Correction has been paid with the original request for COC dated July 17, 2008. If nonetheless any additional fee is required, it should be charged, and any overpayment credited, to Deposit Account 06-1205.

Patentee's undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'Jonathan Berschadsky', is written over a horizontal line.
